

ECRA Curriculum Leadership 360° Appraisal

You are invited to take part in a special offer to participate in the ECRA Curriculum Leadership 360° Appraisal. Learn more about how this powerful tool can help strengthen your district leadership and improve organizational outcomes.

What is the ECRA Curriculum Leadership 360° Appraisal?

The ECRA Curriculum Leadership 360° Appraisal is a powerful tool for helping educational leaders improve, grow and develop their leadership skills. The multisource assessment collects appraisal input in the areas of vision and values, instructional focus, professional development, collaboration, culture and communication, and management. The result is a full leadership profile which can be used to strengthen school leadership and improve organizational outcomes.

How does the ECRA Curriculum Leadership 360° Appraisal work?

The ECRA Curriculum Leadership 360° Appraisal is a system in which educational leaders complete a self-assessment and receive anonymous, confidential feedback from the people who work around them. The appraisal instrument is an easy-to-use online survey based on extensive research and best practices.

To register, log on to www.ecragroup.com/360 or call 847.318.0072 to speak with an ECRA 360° consultant.
